FRESH FOOD EVENTS

Fresh Food Events is our family business.

We're Lesley and Graham and that's us at our wedding in July 2017. Lesley started the business in 2013 and met Graham in 2014...the rest it would seem, is history!

Lesley is the Lead Chef (she refuses to be called Head Chef!) and the Boss. Graham assists in the kitchen and oversees delivery, the front of house Team, and everything logistical – releasing Lesley and her Team to create great food.

We know first hand that different events need different things - a buffet for a meeting, a banquet for a wedding reception, we take BBQ to a new level...whatever you need, we'll do our very best to deliver for you; Tell us what you need and what you want to spend....sit back, relax and enjoy!

We take the time to get to know you, and build menus and a package to suit your needs, tastes and budget. We won't tie you in to a pre-defined package – It's your day; you decide what you want!

Fresh Food Events;
