## YOUR WEDDING MENU, JUST AS YOU WANT IT....

 **FRESH FOOD EVENTS** is our family business, established in 2013.

When we married, no-one else would serve the Wedding Breakfast we wanted. So as established Caterers, we decided to serve weddings our way;

-  **No Packages. No Set Menus. You tell us what you want!**
-  **No Rules.**
-  **Sensible Prices.**
-  **Your menu the way you want it served.**
-  **You're in charge!**

Today we're delivering menus, just as the Happy Couple imagined them, at locations all over South Wales and the South West.

**We make you a promise; Our Family will look after your family.**

It's not just about food. It's about the way we look after you from our very first meeting, and of course, especially on your Big Day!

We're bespoke Caterers. Just tell us what you want!

*At the heart of Fresh Food Events you'll find a passion for great food – food that pleases and nurtures, food that exceeds your expectations.*

*The food is paired with a caring, professionally informal service style that leaves nothing to chance.*

*"What can I say?!"*

*It feels like we have been on a journey! I can't tell you how lucky we feel to have engaged FFE, you made the day perfect.*

*Louise and I visited the venue a week later and they are STILL raving about your food. They just can't fathom quite how you pulled it off!*

*Aside from the end product, can we also say how professional and well organised you have been to work with. The quote versions, the delivery documents, the attention to detail, the superb tasting night – all absolutely perfect.*

*Thank you so much for looking after me before and then during the speech, I nearly lost it a couple of times!*

*Be assured that if we ever meet anyone that needs catering, it'll be you guys every time.*

*Diolch yn fawr iawn"*

*Christopher & Louise (Bride and Groom)*
