Our Commitment...

The freshest local ingredients,
mean exceptional food

Your very special day must run just as you imagined!

As well as looking after the menus you've ordered, we can manage the day for you!

Once you're married, you need someone to make sure things run just as you want them to. The centrepiece of the day becomes the Wedding Breakfast and we see it as part of our job to make sure everything goes perfectly!

We'll be with you all day in any case, so why don't we run the day for you? Our experience and professionalism will remove the worries from your day!

Delivery Document

This is part of our normal way of working.

6 Weeks before your Wedding Day we'll be in touch to go through the day in fine detail. We'll then send you a "Delivery Document" which is the written instructions you've given us, all roles and responsibilities, timings, final menu, final numbers - in short, the detailed plan of the day.

We'll deliver just what the Delivery Document says!

MC Service

An option to add to our catering is our MC Service.

A Master of ceremonies will elevate your day! Clear communication, no confusion. NO WORRIES!

Graham leads front of house and all client liaison. "Military precision" is the feedback he gets with enviable organisation and service skills! Attention to detail and putting you first are his keys to success.

You'll be looked after from start to finish and as your Master of Ceremonies, he'll make sure your guests are led through the day with professional informality and fun!

We will ensure your Guests are organised and in the right place at the right time!

- Call Guests to Table and make sure they know what's happening and when
- Introduce the Bride and Groom
- Make announcements as needed throughout the day such as Cake Cutting
- Introduce Speeches
- Put everyone at ease
- Our MC Service ends at the end of Evening Food Service or the final pre-agreed announcement you request
